

ROBINSON FLIGHT

THE TRAINING EXPERIENCE

For 20 years, Robinson Flight has been a premier flight training facility, centrally located at Tweed New Haven Regional Airport.

What we believe:

- Every student is a unique individual. Our training programs are custom tailored to each student's needs and goals.
- Every student deserves a safe aircraft, that's why we go above and beyond all FAA regulations. Safety is of highest importance to us, and we take it very seriously.
- Every student deserves a complete training curriculum, which is why we take pride in following curricula while still accommodating your needs.
- Every student deserves a safe learning and renting environment, so we participate in TSA programs to keep our flight ramp and aircraft safe.

What we provide:

- Part 61 flight training on Piper Warriors, Arrows, and Cirrus aircraft.
- A fleet of clean, meticulously maintained aircraft.
- Experienced, professional, CFIs
- Training for Private, Instrument, Commercial and ATP ratings.
- Certified Cirrus® Instructors.
- Cirrus® and Complex endorsements.
- Rental aircraft at reasonable prices.
- A productive learning environment.
- Building blocks for a new career or hobby.

Tower? Because we are located at Tweed New-Haven Airport, not only are we easy to find, we also have an operating Air Traffic Control Tower. This means not only added safety, but also the unique and important opportunity to train at a field where Air Traffic Controllers are working, giving our students an advantage not afforded to many others.

Parking? We also have a safe, ample, and lit parking lot, which is free for our customers and their guests.

Did you know? You can bring family and friends on any of your lessons? You can, and at no extra cost.

Fun? We frequently organize group flights for the entire flight school!
